October 2020

Dear Parents,

Learning Platform: Purple Mash

We are delighted to announce we have purchased Purple Mash to support our pupils' learning. Purple Mash is a website that supports all areas of the curriculum. It has lots of open-ended activities and tools allowing children to try their hand at story creation, art and game design, among many other things.

The great news is Purple Mash can be used at home. Your child will be bringing home a login and password soon, meaning they can explore Purple Mash at home. As the use of Purple Mash is expanded across the school, teachers may use it to set home learning activities also. To access the website pupils need to visit <https://www.purplemash.com/sch/holy-le2> . Then they can login and explore.

Your child will be taught how to complete any tasks set and how to send it to their teacher, but in the meantime, we hope they enjoy becoming familiar with the website and learning new skills.

Yours sincerely,

Mrs Gatward
Computing Co-ordinator

Live, grow, learn and pray together in faith.
